Elijah and the Widow

In a time of drought with no rain in the land, God told Elijah to go to the city of Zarephath: "I have directed a widow there to supply you with food."

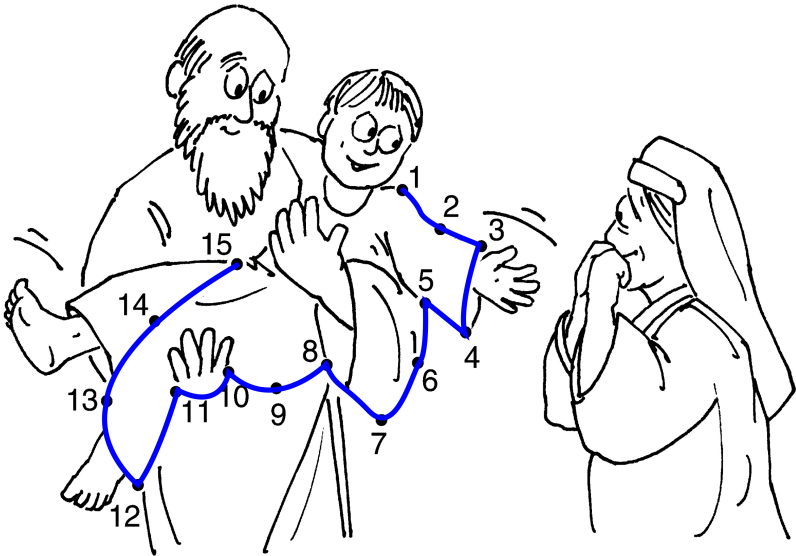

Help Elijah reach the city of Zarephath.

When Elijah came to the town gate, a widow was there gathering sticks. He asked her for a little water and bread.

Elijah prayed that the boy would live.
God heard Elijah's cry, and the boy's life
returned to him. Elijah said to the widow,
"Look, your son is alive!"

Elijah and the Widow

In a time of drought with no rain in the land, God told Elijah to go to the city of Zarephath: "I have directed a widow there to supply you with food."

Help Elijah reach the city of Zarephath.

The maze puzzle is contained within a rectangular frame. At the top, a white box with a black border contains the instruction "Help Elijah reach the city of Zarephath." On the left side of the maze, a vertical line is labeled "START" in bold, black capital letters. At the top of this line is a simple line drawing of a man with a beard and a turban, holding a staff. The maze itself is composed of black lines forming a complex network of paths and dead ends. A solid blue line traces a path from the "START" point, moving down, then right, then through several turns and dead ends, eventually leading to a point labeled "END" in bold, black capital letters. To the right of the "END" label is a simple line drawing of a city with several buildings and a palm tree.

When Elijah came to the town gate, a widow was there gathering sticks. He asked her for a little water and bread.
