Bible Lesson

WE ARE GOD'S TEMPLE 1 CORINTHIANS 3:16

Paul was a follower of Jesus who shared about Him in Corinth. He built the church and taught the people about Jesus.

He later learned that there were many problems in the church, and people weren't keeping the laws from God like they should. He wrote a letter to them, telling them to make better choices.

And we can do that only when we walk with God.

One thing Paul taught is that our bodies are temples, and we should keep them holy and pure.

Pure means clean.

But it doesn't only mean for a clean body on the outside, but also our heart on the inside.

So not only our bodies, but our hearts and mind must be clean and pure as well.

God lives in us and we have to love and respect our bodies for Him to provide Him a clean place to stay.

What we do, say, and think can either make an honorable place for God or a disrespectful place for him.
