GOD CREATED THE WORLD

Genesis 1

WHY DID GOD CREATE EVERYTHING? GOD CREATED EVERYTHING FOR HIS GLORY AND OUR GOOD.

In the beginning, nothing existed except for God. God created the heavens and the earth. God spoke: "Let there be light!" What God said happened. God saw that the light was good, and He separated the light from the darkness. God called the light "day," and He called the darkness "night." Evening came, and then morning came. That was the first day.

God spoke again: "Let there be a space between the waters to separate them." What God said happened.

God said, "Let the water under the sky be gathered into one place, and let the dry land appear." What God said happened. God saw that it was good. Then God said, "Let the earth make plants and trees with fruits and seeds." What God said happened, and God saw that it was good.

Next, God placed lights in the sky. God created the sun to shine during the day and the moon and stars to shine at night. God saw that it was good.

Next, God made creatures that move and swim in the water. He made birds to soar across the sky. God saw that it was good.

Then God made more animals—livestock, creatures that crawl, and wildlife—to live on the earth according to their kinds. When God said it, it happened. And God saw that all of it was good.

Christ Connection: Jesus is Lord over all of creation. The Son has always existed. The Bible says everything was created by Him and for Him, and He holds everything together. All of creation exists to bring God glory.
