Bible Lesson

GOD MADE THE WORLD
GENESIS 1;1~23 GENESIS 1;24~31,
2;7~23, 3;20

A long time ago, there was no earth. There was no sky. There was absolutely nothing, except for God. It always had been this way, until one day God said, "Let there be light," and suddenly there was light all around. When God was finished, the first day was done. The next day, God made the sky. At the same time, He made the seas below. Next God created the grass and the flowers and the fruit trees. On the fourth day, God said, "Let there be lights!" And immediately, He made the sun, sparkling stars, and a white moon in the sky. On the fifth day, He said, "Let the oceans and lakes be filled with fish and the sky be filled with birds!" On the sixth day, God said, "Let there be animals!"

And so the earth was filled with cows, horses, pigs, goats, and all kinds of animals. There were birds of all kinds flying through the air, and the waters were full of fish, sharks, and jellyfish. Later on the sixth day, God said, "Let us make man in Our image and let us give him control over all the fish in the sea, and all the birds in the air, and all the bugs that crawl on the earth." So God created the first people. God made the first man from the ground and God named the man Adam. The Lord God said, "It is not good that man should be alone. I will make him a helper." God used Adam's rib to make the first woman and then brought her to Adam. They were very happy, and they worshiped God because He had created them.
