### God Made Them Enter Jericho 여호수아 6:16 (Joshua 6:16)

Long time ago in the promised land there was Joshua. He was the leader in the army of the Israelites and was fulfilling word of God. Joshua led his people across the land and eventually they came to the large city Jericho.

The city of Jericho was shut for fear of the Israelites. The Lord told Joshua to gather his soldier and march around the city for six days where the priests were to take the Ark of the covenant and seven priests were to go in front blowing the ram's horn.

On the seventh day they marched blowing the horn and the people of Israel shouted once and the city walls fell.

Joshua shouted for the Lord has given you the city.
